**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use broadband provider Sonic. The service is wonderful, dependable and responsive for any help I've needed with the servicewhich has been a very rare circumstance. Most of the friends I know experience difficulties with these major providers that appear to be looking to shut down a broadband provider such as Sonic. Sonic offers wonderful service at a very good price. As a retired person on a fixed income this is important to me. We need need competitive options in this field to keep costs down.
